

Attention 2020-21 JL Students,

We have stopped making Course Changes until school resumes on Tuesday, September 8th. Students can email their Guidance Counsellors for changes, but these will not be made until after we resume classes on Tuesday. Students need to attend their scheduled class until they are called down to Guidance or emailed. Students are not to ask to go to Guidance for course changes, and are not permitted to show up at the Guidance Office without a prearranged appointment.

All students should check their schedules Monday before they arrive to school.
